

## Announcement and Call for Papers

# *The 9<sup>th</sup> International Green Energy Conference*

(IGEC-X)

[www.iage-net.org/igec10](http://www.iage-net.org/igec10)

Organized by

**The International Association for  
Green Energy ([www.iage-net.org](http://www.iage-net.org))**

In Cooperation With

The Advanced Energy Systems Division of the  
Canadian Society for Mechanical Engineering  
(CSME) and the  
International Association for Hydrogen Energy  
(IAHE)

May 24-27, 2015

Taichung, Taiwan

## Conference Objectives

The IGEC is a multi - disciplinary conference on energy systems and technologies with no/reduced environmental, economic and social impact, and provides a forum for the exchange of technical information, for the dissemination of high-quality research results, and for the debate and shaping of future directions and priorities in energy sustainability and security.

## Conference Topics

Papers are solicited from all relevant disciplinary areas, from new concept, theory, modeling and simulation to experiment. Topics of interest include, but not limited to:

- Energy education, policy and planning
- Energy conversion and management
- Energy and exergy analysis
- Advanced energy systems
- Hydrogen and fuel cells
- Renewable and clean energy technologies
- Energy systems modelling and optimization
- Energy and environment
- Energy and sustainability
- Energy security
- Energy resources and their efficient use
- Alternative and hybrid energy systems
- Energy economics
- Energy and industrial ecology
- Energy and life cycle analysis
- Green power production and cogeneration
- Energy storage techniques
- Green buildings
- Environmental impact and climate change
- Pollutant emission, control and abatement

## Venue

The conference will be held in the City of Taichung (台中), known as “the heart of Taiwan”. It is blessed with unique geographical location and the finest city for living with annual average temperature of 23°C.

## Important Dates

Oct. 15, 2014: Short abstract due (online)  
Nov. 1, 2014: Abstract acceptance notified  
Dec. 15, 2014: Full paper due (online)  
Jan. 15, 2015: Paper acceptance notified

## Conference Proceedings

All papers will be reviewed, and accepted papers will be published in the Conference Proceedings available during the Conference and included in the registration package.

## Journal Publication

High-quality original papers of archival value will be recommended for publication in special issues of several prestigious international journals, including

- Applied Energy
- International Journal of Green Energy
- International Journal of Energy Research
- International Journal of Hydrogen Energy
- International Journal of Sustainable Energy

## Registration Fee

**Full Delegate:** \$600 (before Jan. 30, 2015)  
\$650 (after Jan. 30, 2015)  
\$700 (on-site)  
**Student:** \$350 (before Jan. 30, 2015)  
\$400 (after Jan. 30, 2015)  
\$450 (on-site)
